GREENWOOD CITY BY-LAWS.

BY-LAW No. 73.

A By-law to authorise the sale of lands within the Municipality of the City of Greenwood, upon which Taxes have been due and in arrears for two years prior to the passing of this By-law.

WHEREAS it is expedient that all lands, or improvements, or real property within the limits of the Municipality of the City of Greenwood, upon which municipal taxes have been due and in arrears for two years prior to the passing of this by-law, shall be sold and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Municipal Council of the City of Greenwood as follows:—

1. The Collector of the Municipal Council of the City of Greenwood, is hereby authorised and directed whensoever taxes on any lands, or improvements, or real property have been due for two years prior to the passing of this by-law, to submit to the Mayor of the said City of Greenwood a list, in duplicate, of all lands, improvements, or real property liable under the provisions of this by-law to be sold for taxes, with the amount of arrears against each lot set opposite the same; and the Mayor shall authenticate such list by affixing thereto the seal of the municipality and his signature, and one of such lists shall be deposited with the City Clerk of the Municipality and the other shall be returned to the Collector, with a warrant thereto annexed under the hand of the Mayor and the seal of the municipality, commanding him to levy upon the land, or improvements, or real property for the arrears due thereon, with costs, Collector's commission authorised by this by-law and contingent expenses.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands, or improvements, or real property for taxes, to ascertain whether or not there is any distress upon the lands, nor shall he be bound to inquire into or form any opinion of the value of the lands, or improvements, or real property.

3. The Collector shall prepare a copy of the list of lands, improvements, or property to be sold, and in such lists shall be scheduled in separate columns:—

(1.) The amount of the taxes unpaid up to the date of the passing of this by-law:

(2.) The Collector's commission authorised by this by-law to be paid to him and contingent expenses of sale; and

(3.) The total amount of taxes and costs for which the property is liable to be sold:

And the Mayor shall authenticate such list by affixing thereto the seal of the municipality and his signature; and the Collector shall cause a copy of the last mentioned list to be published for at least a period of one month preceding the date of such intended sale, in some weekly newspaper published in the Municipality of the City of Greenwood.

4. The advertisement shall contain notification that unless the arrears and costs are sooner paid, he will proceed to sell at public auction the lands, or improve-

ments, or real property for the taxes, on a day, a time, and at a place named in the advertisement, but it shall not be necessary for such advertisement to state whether the lands offered for sale are patented or unpatented.

5. The Collector shall, at least two months before the time of sale, deliver or cause to be delivered to the registered owners and holders of charges on each parcel of land contained in said list a notice in writing, signed by him, of sale and the consequences thereof, and of the amount of taxes due on such parcel and for which said parcel is being sold, and the amount of commission and expenses charged against each parcel. In case personal service cannot be effected upon any person entitled thereto hereunder, then substituted service upon such person shall be effected in such manner as any Judge of the Supreme Court may direct, and the costs of obtaining such direction shall be added to the costs of sale charged against the particular parcel of land in respect of which such direction is obtained. He shall also, at least two months before the time of sale, post a similar notice in writing and so signed, in some convenient public place within the municipality, such as the front door of the City Hall of the municipality, or other conspicuous place.

6. The day of the sale shall be the thirty-third day after the publication in a newspaper of such list, exclusive of the day of such publication, except in case the thirty-third day shall fall on a Sunday or holiday; in such case such sale shall take place on the following day at the City Hall in the Municipality of the City of Greenwood, and shall begin at eleven o'clock in the forenoon.

7. If at any time appointed for the sale of the lands, or improvements, or real property, no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes due on any lands, real property, or improvements contained in such list and Collector's commission thereon and legal expenses incurred in connection with the sale under this by-law and chargeable thereto, have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land, or improvements, or real property, as may be sufficient to discharge the taxes, interest thereon and all lawful charges incurred in and about the sale and collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such land, or improvements, or real property for sale it shall not be necessary to describe particularly the portion of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land, or improvements, or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such

day he shall sell such lands, or improvements, or real property for any sum he can realise: provided that in the event of the price offered for any land, or improvements, or real property at such adjourned sale being less than the amount of the arrears of taxes due in respect of such land, improvements, or real property, the Collector shall have power, if he thinks fit so to do, to purchase such land, improvements, or real property, in the name of and in behalf of the said municipality.

10. If the purchaser of any land, improvements, or real property at such sale fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Municipality, and shall at the same time pay the proceeds to the Treasurer of the said Municipality.

12. The Collector shall be entitled to $2\frac{1}{2}$ per centum commission upon all sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as the "City of Greenwood Real Estate Tax Sale By-law, 1902."
